

An Aikido Journey with Mary Heiny Sensei 7th Dan

Burwell Aikido Club is delighted to host the first seminar in the UK, lead by Mary Heiny Sensei in her 50th year of practice and also the year that she has been awarded 7th dan. Heiny Sensei is in huge demand in the USA and no wonder given her aikido heritage. This is an incredible opportunity for you to learn about the roots of aikido from someone who trained with the founder and most of his leading students.
